## NATIONAL CADET CORPS

Our college takes pride in providing a holistic educational experience that combines academics with extracurricular activities. Among our key offerings are exceptional NCC (ARMY WING-NAVY WING)

Our NCC unit aims to develop leadership skills, patriotism, and a sense of responsibility among students. Cadets are trained in drills, adventure activities, and survival skills. Regular camps and parades are organized to instill discipline and prepare them for National Service.

## Sports Facilities:

Our college is well-equipped with top-notch sports infrastructure to cater to a wide range of indoor and outdoor games. From cricket and football grounds to basketball and volleyball courts, students can pursue their favorite sports.

## Athletics

We also have facilities for athletics and a gym to promote fitness. Annual sports events and intercollegiate competitions provide a platform for students to showcase their talents and earn accolades.

## Yoga

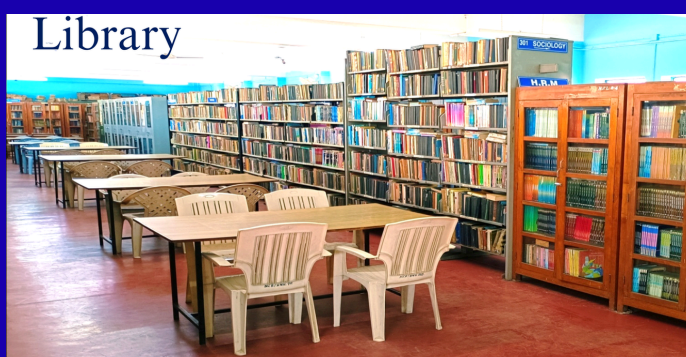

Our college prioritizes the holistic development of students, and yoga classes play a crucial role in promoting physical, mental, and emotional well-being.

International Yoga Day Celebrations:

## Benefits of Educational Excursions

By organizing regular educational excursions, we aim to empower students with knowledge, skills, and experiences that shape them into informed and responsible individuals.

Library

## Library:

An extensive collection of books, journals, and e-resources supports students' academic and research needs.

## SPACIOUS AUDITORIUM

Discover a world of CULTURE AND DRAMA activities

At our college, we believe that education is not confined to books but extends into the world around us.

We aim to empower students with knowledge, skills, and experiences that shape them into informed and responsible individuals.

# GLIMPSE OF CULTURAL EVENTS

**Cultural activities play a vital role in the holistic development of individuals and the enrichment of communities. They go beyond academics and work to nurture creativity, self-expression, and social connections, contributing significantly to personal growth and societal harmony.**

Dr.H.N Multimedia Hall

state-of-the-art labs,

**Multimedia Hall: A spacious and advanced multimedia hall is for seminars, guest lectures, and workshops, ensuring students gain exposure to a wide range of knowledge.**

**Equipped with multimedia projectors, interactive boards, and audiovisual aids for a modern teaching approach**

**Science Labs: Fully functional labs for Physics, computer, Chemistry, and Biology enable students to conduct experiments and research.**
